Get ready for Summer Revival

Ted Vafeas, pastor at Hatton Baptist Church will be with us July 22- 25.

Sunday July 22 at 6:00 pm
Monday – Wednesday at 7:00 pm

Be in prayer for our church as enter into a time of revival.

We can have revival if we:

- Ask God to revive us
- Ask Him to use us in reviving others
- Help spread the news of revival
- Invite friends to attend the services
- Give priority to the services in our schedules
- Open our hearts to God's will
- Do what God directs us to
- Love Jesus more than anyone or anything

We have empty seats in our choir!

I would LOVE to invite you to fill these seats in our choir and the only requirements are that you

1. Love the Lord
2. Love to Sing

Right now we are practicing on songs that are familiar to everyone—*Victory in Jesus, There is Power, He Leadeth Me* and more!

Practice is every Wednesday night at 6:00 pm.

Come expecting a blessing!

A note from the pastor's desk...

Control—Surrender

These two words seem to be in conflict with one another. For me to be “in control”, someone else must surrender. For me to “surrender”, someone else must be in control.

How can I surrender control of my life and still be “in charge”?

Surrender to the Holy Spirit's control frees me to a transformed life. The answer is I cannot. The only conflict is within me not with the two words.

BELIEVE, BELONG, BECOME... One with Christ

Only On Sunday

sent in by Bobbie Bishop

“Dear Mr. Bayer:

You manufacture aspirin that relieves suffering and cold and fevers. The mixture used in your tablet makes it possible for a person to get out of bed and fight off headaches, muscle spasms and bad nerves. I have noticed that these tablets work wonders on Monday, Tuesday, Wednesdays, Thursdays, Fridays, and especially well on Saturdays. But people who take them on Sunday get no relief. They cannot get rid of their aches and pains. They are not able to attend church or Sunday School. Is it possible for you to examine your tablet and put an ingredient in it that will work on Sundays?

Independence Day

As the United States celebrates the 4th of July – Independence day – we're often reminded of the price that was paid for our freedom. The founders pledged to each other their lives, their fortunes and their sacred honor in defense of the Declaration of Independence. In that same spirit let us recall a time when a heavy price was paid for a translation of our Bible.

William Tyndale, a 16th century Englishman, translated the Bible into English while living in Germany. Finally in 1525, he was able to publish a New Testament in English. But the church authorities at the time were not pleased and they angrily sought to destroy Tyndale and his translation. Finally, he was caught and brought back to England where he was burned at the stake. As he was dying, he uttered these words: “Lord open the eyes of the King of England.” His prayer became a prophecy, as it was the King of England, King James, who finally did publish the entire Bible in English about a hundred years later.

Our English Bible translations became a reality through William Tyndale's heroic sacrifice and bravery, ultimately at the price of his lifeblood. The work and sacrifice of William Tyndale not only led to the publishing of the King James Bible but to earlier English translations like the Geneva bible which the pilgrims brought with them to America.

This Independence day, don't let your Bible sit on the shelf gathering dust. Consider the cost that was paid so you could read it in your native tongue. The freedom that we so enjoy on this day is only a taste of the real freedom we have in the Lord; the promise of eternal forgiveness and freedom from sin. The cost of that freedom was the precious blood of our savior Jesus Christ. William Tyndale offered his life so we could read about this spiritual freedom in our own language. Our founders fought and died for the freedoms we enjoy as a nation. So as we celebrate our earthly freedom this Independence Day. let's not forget to also give thanks for our eternal liberty that we find in our Lord.
